The senate had an executive session at Rhode Island, was damaged on Tuesday night, by fire, to the extent of ten thousand dollars.

A bill to defray the expenses of the present legislature, was amended so as to read one hundred thousand dollars in-stead of seventy-five thousand dollars that's the way the money goes—and the bill passed by a vote of 21 year to 19

42d CONGRESS-2d SESSION. Proceedings Had by the National Legislature Yesterday

The mint and coinege bill was brought In the case of William Arthur against John A. Griswold and John M. Wheeler, for money lent the Iron Monnain railroad company, of Lake Champiain, in 1807, the jury gave the plaintiff a verdict for \$51,
122 66.

The mint and coinage bit was brought up, Mr. Kelly explaining its provisions. Mr. Wood alluded to the position taken by Mr. Dawes yesterday against increasing official salaries, and said that the pe pie were more anxious as to the integrity and ability than as to the integrity and ability than as to the pay of officers. He said that if Mr. Dawes would devote his ability to effecting a substantial reform to the civil service bill the would effect a great blessing for which that Mayor Hall with resign. His bank account has been found at the Metropolitant bank, and steps are about to be taken the country would thank him.

Mr. Dawes, in reply to Mr. Wood's assertion that the Democracy commenced the reform movement in New York, said In the Prench assembly the committee that the Republicans sent this ves to the to which was referred the proposal that the assembly return to Paris, reported the thickes to the penicentary, while the Democracy and the thickes to the legislature. [Laughter] after opening by the Right levil with great pheering by the Right levil of the Rewas referred the proposal that the being proposal that the period of the proposal that the proposal th

The Times says that the most lawless merous bands of music, murched through the principal streets, and finally halted at Daniel O'Connel's monument, where a number of speeches were made. Mr. the occupation of Royal street with the Bull, in the course of his speech, spake of the many wrongs inflicted upon Ireland, ton rifles.

severe in his denunctation of the Marquis ting down the siministration of Gover of Harilagton, lord-lieutenant of Ireland. nor Warmoth, but it is in duty bound to

A shooting affair occurred on St. Charles street this sciernoon, in which two persons not implicated in the row were shot, The Picsyune, in opposing martial law, says: "We hear with deep regret that some of our ditizens are about to unite in may be substituted for the present Stats executive and government of Louisiana. They are provoked to this measure by wanton misrule, by systematic persection, by stupendous extravagance, l multiform sets of oppression, by trading in offices, by the sale of votes in the legis-lature by rulnous monopolies, by ancient civic franchises trodden on, by systemati liberate and persistent violation of the ored right of suffrage, and by all the wicked mockery of free government which we have suffered for the past four years. The provocation of salaiy is very great, and we as fully sympathise in their sentiment, as we share in the annoyances of which they complain, but we must warn them against the greater evil which they invoke as an ntidote, believing it to be virulent, and more lasting in its damaging effects. We want no magistrates in uniforms; we would rather bear years of local misrule

than years of military despotism."

The Times, under the caption of "How the Legislature is Made up," says: "Wheyland, the member of that branch of the bouse which holds its essaions on Dryades street, and who was killed on Canal stre isst evening, affords an example of the shameful abuses of the election and regisation laws by the constituted author n this State, a few days before the registration of the voters of that parlah as a registrar, though a perfect stranger to the registrar, though a perfect stranger to the segment of the parish; and it was proved 200 p.m. 0.355, 113 40 47 calm clear clear copyond a doubt that though nearly all the 10x3 p.m. 30 284 041 35 10 south clear clear votes of the parish were given to Mr.

Local Weather Report-January 10.

votes of the parish were given to Mr. Smart, one of the oldest ortisens of the parish, Wheyland was returned as the influence of Sabine, and all the influence of the administration was simployed, and with success, to keep him in his seat. It was in vain that Mr. Smart was brought to this city and exhibited to the legislature. The evidence, in the form of affidavits of voters themselves, was that at least four-fifths of them voted for Smart. Wheyland was of the same class as Carr and Dowees, and because he favored the 'powers that be,' must be seated in the home, whether

The river continues to advance, and for the past six or eight days, an average of "At the time of his returnwe called attention to the oursige of admitting him as a member, but were laughed at for the impotency of our protest. Three-quarters of the members of the house, which Governor Warmoth claims to be an illegal legislature of Loeislans, owe their seats to the absmetul interposition and despotic conduct of unserropulous party.
